NEW YORK TRI-STATE AREA McDONALD'S® RESTAURANTS DEBUT ANGUS THIRD POUNDERS™ PREMIUM BURGERS

Big Burger, Big Taste

Angus Third Pounders™ are New York Tri-State Area McDonald's® newest line of premium burgers and are made with 100 percent USDA-inspected Angus beef. The Angus Third Pounders are available in three varieties:

- **Angus Bacon and Cheese:** crispy strips of bacon, melted American cheese, sliced red onions, mustard, ketchup and pickles
- **Angus Mushroom and Swiss:** sautéed mushrooms, Swiss cheese and mayonnaise
- **Angus Deluxe:** melted American cheese, sliced red onions and tomatoes, green leaf lettuce, mustard and mayonnaise

Angus Third Pounders are available at participating McDonald's restaurants in the New York Tri-State Area for a suggested retail price of \$3.99

McDonald's Commitment to Quality

McDonald's commitment to quality can be clearly seen in our dedication to serving 100 percent USDA-inspected beef to ensure McDonald's premium burgers are high quality and taste great.

- McDonald's seeks out the freshest lettuce and tomatoes, quality buns, potatoes, the finest meat, wholesome dairy products and the freshest fruit available in order to guarantee that customers are served a quality meal every time.
- McDonald's is the largest, single purchaser of American beef, buying nearly one billion pounds per year. As one of the nation's leading consumers of agricultural products, including beef, McDonald's believes in -- and has consistently advocated and enforced -- the strongest possible food safety standards and regulations.

Nutrition

McDonald's is committed to providing nutrition and ingredient information for all its products. This information is available in restaurants or via the web site (www.mcdonaldsnymetro.com).
